# RAISE THE ROOF

CAN YOU HELP US BUILD A NEW  
STATE-OF-THE-ART  
700 SEAT  
MULTI-PURPOSE  
AUDITORIUM?

## HELP US RAISE THE ROOF

The 700 seat multi-purpose auditorium will be an exciting state-of-the-art indoor and outdoor venue that will provide innovative curriculum delivery and extensive co-curricular opportunities for all students.

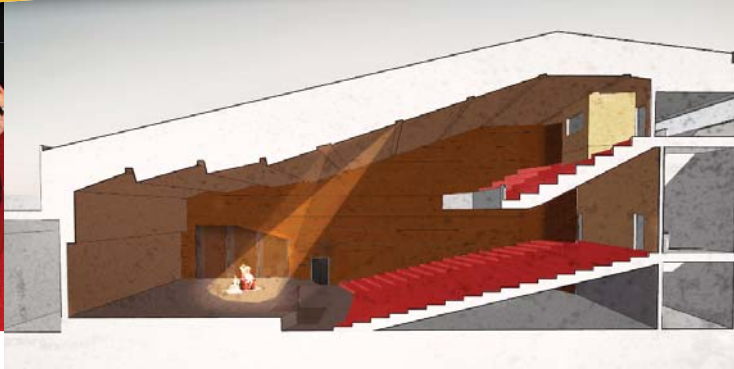

The auditorium will bring the school community together and provide a vibrant and welcoming space suitable for large gatherings and productions. The venue will be a place where knowledge and creativity can flourish and thrive.

Students will benefit regularly from the venue by accessing a broad range of innovative and dynamic activities to enrich learning, help achieve personal goals and foster dreams.

Thanks to the initial generous support of our school community, the Build the Dream fundraising campaign from 2012–2015 for a new sports centre was a stunning success.

**Let's continue the dream and Raise the Roof!**

## A CREATIVE PLACE FOR ALL...

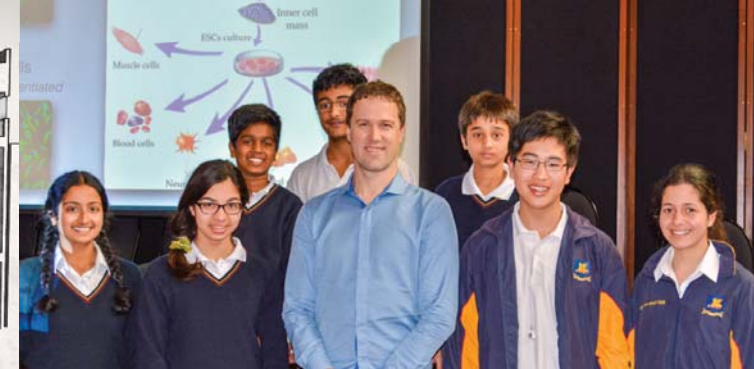

The venue will be a wonderfully versatile and modern space with state-of-the-art equipment to meet the needs of our talented student body now and into the future.

Large shared spaces are currently limited at Perth Modern School. The flexibility of the auditorium will expose students to big ideas, the promotion of entrepreneurship, academic stimulation and school connectedness.

The venue will host an array of student-focused activities including:

- University-style lectures
- Expert speakers
- Flexible multi-age groupings for educational opportunities
- Academic presentations
- Large music recitals
- Drama productions and House assemblies
- Special events for students and the wider school community.

This facility will be a student hub for innovation, knowledge, creativity and reflection.
